

# LANDSCAPING

When your home is about half way complete, please contact Zimmerman's Landscape Service, LLC, @ 717-949-3286 who will meet you at your new home and give you suggestions for landscaping.

Please keep in mind that some new home communities require a street tree. If you are in a community that requires a street tree, it is your responsibility to have one planted as part of your landscape package. If you are unsure, contact one of the Musser team members.

The allowance for landscaping is **\$1,500**.

A member of the franchise system of BHH Affiliates, LLC.
